

Introduction to the FIRO-B[®] Instrument

Judith A. Waterman and Jenny Rogers

(English, Traditional Chinese & Simplified Chinese versions)

Learn how to incorporate FIRO-B[®] results into your work and personal lives

This fundamental booklet focuses on clients' interpersonal needs and the impact of their behaviors in the workplace. It also provides a solid foundation for understanding their FIRO-B results.

Features:

- Includes an explanation of results and brief descriptions of each of the score categories
- Discusses the practical applications of FIRO-B results in one-on-one relationships and in group situations
- Explores areas for personal growth and interpersonal effectiveness
